Introductions

Minutes

- Move to approve Oct. 1st and Nov. 5th meeting minutes. Approved.

Principal Update – Mr. Signatur

- Email went out from school today about school going through Code of Conduct for good practice to re-teach, reiterate expectations. Tony asked of all the schools
- Kids have come back happy and transitioned back well after holidays
- Annual Cabinet School Presentation – 1/23 good supportive process, cabinet listening and providing feedback. After meeting Mr. Signatur can share slides and information at an upcoming PTB meeting
- Data representation of 5 Essentials
- Projects this summer – sections of roof replaced, updated intercom system, new fire alarm (not communicated to parents yet) as a result there will be a new location for Summer Safe program

Teacher Updates

- Committed parents makes a big difference in the classroom and good to see the direct results

CAC Updates

- Update from January 9th meeting
  - Focus was 1 to 1 technology, how and why rolled out. No timeline on pushing down further than 5th grade.
  - Some teachers talked about how they are using the technology in the classroom
  - Chromebook chosen because durable and less likely to get a virus.
  - Charging $25 for anyone that has 1 to 1 which covers repairs
  - Every Chromebook has a software called Securely which is filtering for websites & keywords that constantly updates
  - On district webpage there is a resource page under technology for parent resources for apps, websites
- Next meeting is Feb. 6, 7-9pm EHS Library – Student Safety
